(d) if not, by when pilot projects are supposed to be started?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRIA. RAJA): (a) Government of Rajasthan has identified the districts of Jaipur, Alwar, Sikar and Banner for implementation of Sector Reform project which *inter-alia* envisages to institutionalise community based O&M and WQM & S in Rural Water Supply sector.

(b) to (d) Administrative sanction in respect of the pilot projects of Jaipur, Alwar and Sikar has been issued. The State Government is at this stage carrying out the preliminary formalities, which are necessary before the actual commencement of the project.

NDMW in Rajasthan

4852. SHRI SANTOSH BAGRODIA: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) the total plan amount spent on construction of drinking water projects so far by National Drinking Water Mission in different parts of Rajasthan;

(b) the future plan of NDWM to cover the remote areas of the State of Rajasthan;

(c) whether there is any target fixed for supply of safe drinking water to all the villages in the State of Rajasthan; and

(d) if so, by when?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI A. RAJA): (a) As per the latest expenditure report furnished by the State Government of Rajasthan till January, 2000, an amount of Rs. 1066.36 crore was spent under the State sector Minimum Needs Programme for implementing rural water supply schemes in Rajasthan since VII Plan. The State Government also incurred an expenditure of Rs. 999.87 crore under the Centrally sponsored Accelerated Rural Water Supply Programme (ARWSP) during the same period.

(b) to (d) The National Agenda for Governance of the Government, *interalia,* envisages to provide access to drinking water facilities to all rural habitations in five years time. As Drinking Water Supply is a State subject, and

the programmes to provide drinking water facilities are implemented by the State Governments. The state Government of Rajasthan was requested to prepare an action plan to provide drinking water facilities to all rural habitations in five years time. The State Government has prepared an action plan accordingly and it could be implemented successfully subject to availability of funds.
